Class-V

Subject-Computer Science

Project work –

- ***Write 5 of the World's Fastest Super Computers. What are they and how they are used.***

Holiday Homework

Q1) Multiple choice questions:

1. The first generation of computer was started in
 - a) 1959
 - b) 1944
 - c) 1945
2. The electronic components used in second generation computers were
 - a) Transistors
 - b) Vacuum tubes
 - c) ICs
3. The number of generations of computer is
 - a) 8
 - b) 4
 - c) 5
4. A chip on which thousands of transistors are accommodated is called
 - a) IC
 - b) Vacuum tube
 - c) CPU
5. The fifth generation computer might have
 - a) Microprocessor
 - b) AI
 - c) IC
6. Which one of these is not a secondary storage device?
 - a) DVD
 - b) Pen drive
 - c) RAM

1. Tick the correct answer and then fill in the given blank:

a) is known as the Father of computers.

i) John Napier	ii) Charles Babage
iii) Blaise Pascal	iv) John Mauchly

b) Second generation computers
.....

i) keyboards	ii) vacuum tubes
iii) transistors	iv) operating system

c) is the ability to learn from past mistakes.

i) Zero IQ	ii) decision making
iii) Heuristics	iv) Faster communication

d) First generation computers used
.....

i) integrated circuits	ii) vacuum tubes
iii) transistors	iv) operating system

2. Fill in the blanks:-

- a) Fifth generation computers are based on
- b) Fourth generation computers are extremely powerful and can process millions of in a fraction of second.
- c) The operating system was introduced in the generation of computers.
- d) A computer does not have any of its own.

**3. Name the mathematician , who has designed the following devices: **

Pascaline calculator	
Difference Engine	
Napier's Bones	

3. Match the following Software's with their icons and name.

<u>SOFTWARE</u>	<u>ICON and NAME</u>
Operating System	 WinZip
Antivirus	 GNU Linux
Compression	 Windows Movie maker
Graphics software	 Photoshop
Multimedia	 Avira

4. Application based question.

a) Atul works as a designer in a publishing house where brochures, posters, magazines are created. Which type of software does he need to use?

.....

.....

b) Saanvi and her friends have to create a presentation on Independence Day for their school assembly . Which type of software do they need to use?

.....

.....
